

## **MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE**

March 1, 2022

Members present were Mark Holm, Greg Martin, Jeff Jordheim, Chris Lane  
Meeting called to order at 5:36pm, quorum established  
Motion to approve minutes of 2/1/2022 passed (Martin/Lane), no changes

Committee acknowledges the resignation of Chauncey Bangs and wishes to thank him for his good input and service. Committee also hopes Chauncey will consider rejoining the group at a convenient future time.

### **RROW Committee vacancy**

Committee has asked for an application for membership to be sent to Dave Schiess; with that application to be vetted and approved by town board. Further discussion reviewed other possible candidates as well as possibility that Chauncey, as stated above, might be included in some capacity -- even as a non-voting member according to what the board might permit.

### **Project Funding**

Committee is pleased with contracting of Delmore Consulting for road management services. Delmore's participation will be beneficial on multiple levels and is a wise investment by the township.

### **Project log**

Full review of Project Log with Rabbit Hutch moved to completed status based on February discussion.

Committee wishes to express praise and appreciation to the roads crew for good work with limited equipment during recent heavy snows.

### **Adjourn**

Motion to adjourn (Holm/Lane) passed unanimously. Meeting adjourned 6:09pm.

Respectfully submitted, Mark Holm, recorder
